I. BACKGROUND

A. The United States of America (“United States”), on behalf of the Administrator of the U.S. Environmental Protection Agency (“EPA”), filed a complaint in this matter pursuant to Section 107 of the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. § 9607 (CERCLA) against the City of Springfield (“City” or “Defendant”), seeking reimbursement of response costs incurred or to be incurred for response actions taken at or in connection with the release or threatened release of hazardous substances at the Springfield Iron Company Site in Springfield, Sangamon County, Illinois (“the Site”).

B. The Springfield Iron Company operated the Site from 1872 until 1905 for the manufacturing of iron and steel and the gasification of coal. The City purchased a portion of the Site in 1971 and 1972. In 2010, coal tar seepages were discovered on a public sidewalk and city right-of way in the northwest region of the Site.

C. Subsequent investigation by the Illinois Environmental Protection Agency and EPA discovered further contamination in the northwest portion of the Site. In 2013 and 2014, EPA conducted a removal action to remove coal tar from the Site.

D. The Defendant does not admit any liability to Plaintiff arising out of the transactions or occurrences alleged in the complaint.

E. The United States and Defendant agree, and this Court by entering this Consent Decree finds, that this Consent Decree has been negotiated by the Parties in good faith, that settlement of this matter without further litigation and without the admission or adjudication of any issue of fact or law is appropriate and will avoid prolonged and complicated litigation between the Parties, and that this Consent Decree is fair, reasonable, and in the public interest.

THEREFORE, with the consent of the Parties to this Decree, it is ORDERED, ADJUDGED, AND DECREED:

II. JURISDICTION

1. This Court has jurisdiction over the subject matter of this action pursuant to 28 U.S.C. §§ 1331 and 1345 and 42 U.S.C. §§ 9607 and 9613(b) and also has personal jurisdiction over Defendant. Solely for the purposes of this Consent Decree and the underlying complaint, Defendant waives all objections and defenses that it may have to jurisdiction of the Court or to venue in this District. Defendant shall not challenge entry or the terms of this Consent Decree or this Court’s jurisdiction to enter and enforce this Consent Decree.

III. PARTIES BOUND

2. This Consent Decree is binding upon the United States, and upon Defendant and its successors and assigns. Defendant may make the payment in four installments as follows:

a. The first payment of \$24,000 shall be made within 30 days of the Effective Date; and

b. The second, third and fourth payments of \$220,000 each shall be made one year, two years and three years, respectively, after the Effective Date.

5. Defendant shall make payment at Fedwire Electronic Funds Transfer (EFT) to the U.S. Department of Justice account, in accordance with instructions provided to Settling Defendant by the Financial Litigation Unit (FLU) of the U.S. Attorney’s Office for the Central District of Illinois after the Effective Date. Cincinnati, Ohio 45268

Such notice shall reference the CDCS Number, Site/Spill ID Number C5D8, and DJ Number 90-11-3-11842.

VI. FAILURE TO COMPLY WITH CONSENT DECREE

8. **Interest on Late Payments.** If Defendant fails to make any payment under Paragraph 4 (Payment by Defendant for Past Response Costs) by the required due date, Interest shall continue to accrue on the unpaid balance through the date of payment.

9. Stipulated Penalty

a. If any amounts due to EPA under Paragraph 4 (Payment by Defendant for Past Response Costs) are not paid by the required date, Defendant shall be in violation of this Consent Decree and shall pay to EPA, as a stipulated penalty, in addition to the Interest required by Paragraph 8, \$1,000 per violation per day that such payment is late.

b. Stipulated penalties are due and payable within 30 days after the date of the demand for payment of the penalties by EPA. All payments to EPA under this Paragraph shall be identified as “stipulated penalties” and shall be made by Fedwire EFT to:

Federal Reserve Bank of New York
ABA = 021030004

c. At the time of payment, Defendant shall send notice that payment has been made to EPA and DOJ as provided in Paragraph 7 (Notice of Payment).

d. Penalties shall accrue as provided in this Paragraph regardless of whether EPA has notified Defendant of the violation or made a demand for payment, but need only be paid upon demand. All penalties shall begin to accrue on the day after payment is due and shall continue to accrue through the date of payment. Nothing in this Consent Decree shall prevent the simultaneous accrual of separate penalties for separate violations of this Consent Decree.

10. If the United States brings an action to enforce this Consent Decree, Defendant shall reimburse the United States for all costs of such action, including but not limited to costs of attorney time.

11. Payments made under this Section shall be in addition to any other remedies or sanctions available to Plaintiff by virtue of Defendant's failure to comply with the requirements of this Consent Decree.

12. Notwithstanding any other provision of this Section, the United States may, in its unreviewable discretion, waive payment of any portion of the stipulated penalties that have accrued pursuant to this Consent Decree. Payment of stipulated penalties shall not excuse Defendant from payment as required by Section V (Payment of Response Costs) or from performance of any other requirements of this Consent Decree.

VII. COVENANTS BY PLAINTIFF

13. **Covenants for Defendant by United States.** Except as specifically provided in Section VIII (Reservation of Rights by United States), the United States covenants not to sue or to take administrative action against Defendant pursuant to Section 107(a) of CERCLA, 42 U.S.C. § 9607(a), to recover Past Response Costs. These covenants shall take effect upon the Effective Date. These covenants are conditioned upon the satisfactory performance by Defendant of its obligations under this Consent Decree. These covenants extend only to Defendant and do not extend to any other person.

VIII. RESERVATIONS OF RIGHTS BY UNITED STATES

14. The United States reserves, and this Consent Decree is without prejudice to, all rights against Defendant with respect to all matters not expressly included within Paragraph 13 (Covenants for Defendant by United States). Notwithstanding any other provision of this Consent Decree, the United States reserves all rights against Defendant with respect to:

- a. liability for failure of Defendant to meet a requirement of this Consent Decree;
- b. liability for costs incurred or to be incurred by the United States that are not within the definition of Past Response Costs;
- c. liability for injunctive relief or administrative order enforcement under Section 106 of CERCLA, 42 U.S.C. § 9606;
- d. criminal liability; and

e. liability for damages for injury to, destruction of, or loss of natural resources, and for the costs of any natural resource damage assessments.

IX. COVENANTS BY DEFENDANT

15. Defendant covenants not to sue and agree not to assert any claims or causes of action against the United States, or its contractors or employees, with respect to Past Response Costs and this Consent Decree, including but not limited to:

a. any direct or indirect claim for reimbursement from the EPA Hazardous Substance Superfund based on Sections 106(b)(2), 107, 111, 112, or 113 of CERCLA, 42 U.S.C. §§ 9606(b)(2), 9607, 9611, 9612, or 9613, or any other provision of law;

b. any claim arising out of the response actions at the Site for which the Past Response Costs were incurred, including any claim under the United States Constitution, the Constitution of the State of Illinois, the Tucker Act, 28 U.S.C. § 1491, the Equal Access to Justice Act, 28 U.S.C. § 2412, or at common law; or

c. any claim pursuant to Section 107 or 113 of CERCLA, 42 U.S.C. § 9607 or 9613, Section 7002(a) of RCRA, 42 U.S.C. § 6972(a), or state law for Past Response Costs.

16. Nothing in this Consent Decree shall be deemed to constitute approval or preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611, or 40 C.F.R. § 300.700(d).

17. Waiver of Claims by Defendant

a. Defendant agrees not to assert any claims and to waive all claims or causes of action (including but not limited to claims or causes of action under Sections 107(a) and 113 of CERCLA) that they may have:

(1) **De Micromis Waiver.** For all matters relating to the Site against any person where the person's liability to Defendant with respect to the Site is based solely on having arranged for disposal or treatment, or for transport for disposal or treatment, of hazardous substances at the Site, or having accepted for transport for disposal or treatment of hazardous substances at the Site, if all or part of the disposal, treatment, or transport occurred before April 1, 2001, and the total amount of material containing hazardous substances contributed by such person to the Site was less than 110 gallons of liquid materials or 200 pounds of solid materials;

(2) **De Minimis/Ability to Pay Waiver.** For response costs relating to the Site against any person that in the future enters into a final CERCLA § 122(g) *de minimis* settlement, or a final settlement based on limited ability to pay, with EPA with respect to the Site.

b. Exceptions to Waivers

(1) The waivers under this Paragraph 17 shall not apply with respect to any defense, claim, or cause of action that Defendant may have against any person otherwise covered by such waivers if such person asserts a claim or cause of action relating to the Site against Defendant.

X. EFFECT OF SETTLEMENT/CONTRIBUTION

18. Except as provided in Paragraph 17 (Waiver of Claims by Defendant), nothing in this Consent Decree shall be construed to create any rights in, or grant any cause of action to, any person not a Party to this Consent Decree. Except as provided in Section IX (Covenants by Defendant), each of the Parties expressly reserves any and all rights (including, but not limited to, pursuant to Section 113 of CERCLA, 42 U.S.C. § 9613), defenses, claims, demands, and causes of action that it may have with respect to any matter, transaction, or occurrence relating in any way to the Site against any person not a Party hereto. Nothing in this Consent Decree diminishes the right of the United States, pursuant to Section 113(f)(2) and (3) of CERCLA, 42 U.S.C. § 9613(f)(2)-(3), to pursue any such persons to obtain additional response costs or response action and to enter into settlements that give rise to contribution protection pursuant to Section 113(f)(2).

19. The Parties agree, and by entering this Consent Decree this Court finds, that this Consent Decree constitutes a judicially-approved settlement pursuant to which Defendant has, as of the Effective Date, resolved liability to the United States within the meaning of Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), and is entitled, as of the Effective Date, to protection from contribution actions or claims as provided by Section 113(f)(2) of CERCLA, or as may be otherwise provided by law, for the “matters addressed” in this Consent Decree. The “matters addressed” in this Consent Decree are Past Response Costs.

20. The Parties further agree, and by entering this Consent Decree this Court finds, that the complaint filed by the United States in this action is a civil action within the meaning of Section 113(f)(1) of CERCLA, 42 U.S.C. § 9613(f)(1), and that this Consent Decree constitutes a judicially-approved settlement pursuant to which Defendant has, as of the Effective Date, resolved liability to the United States within the meaning of Section 113(f)(3)(B) of CERCLA, 42 U.S.C. § 9613(f)(3)(B).

21. Defendant shall, with respect to any suit or claim brought by it for matters related to this Consent Decree, notify EPA and DOJ in writing no later than 60 days prior to the initiation of such suit or claim. Defendant also shall, with respect to any suit or claim brought against it for matters related to this Consent Decree, notify EPA and DOJ in writing within 10 days after service of the complaint or claim upon it. In addition, Defendant shall notify EPA and DOJ within 10 days after service or receipt of any Motion for Summary Judgment, and within 10 days after receipt of any order from a court setting a case for trial, for matters related to this Consent Decree.

22. In any subsequent administrative or judicial proceeding initiated by the United States for injunctive relief, recovery of response costs, or other relief relating to the Site, Defendant shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, res judicata, collateral estoppel, issue preclusion, claim-splitting, or other defenses

based upon any contention that the claims raised by the United States in the subsequent proceeding were or should have been brought in the instant case; provided, however, that nothing in this Paragraph affects the enforceability of the Covenants by Plaintiff set forth in Section VII.

XI. PROPERTY REQUIREMENTS

23. **Agreements Regarding Access and Non-Interference.** Defendant shall, with respect to its Affected Property:

a. Provide the United States and potentially responsible parties who have entered or may enter into an agreement with the United States for performance of response action at the Site (hereinafter “Performing Parties”), and their representatives, contractors, and subcontractors with access at all reasonable times to its Affected Property to conduct any activity relating to response actions at the Site including the following activities:

- (1) Verifying any data or information submitted to the United States;
- (2) Conducting investigations regarding contamination at or near the Site;
- (3) Obtaining samples;
- (4) Assessing the need for, planning, implementing, or monitoring response actions;
- (5) Inspecting and copying records, operating logs, contracts, or other documents maintained or generated by Defendant or its agents, consistent with Section XII (Access to Information);
- (6) Assessing Defendant and any Performing Party’s compliance with the Consent Decree;
- (7) Determining whether the Affected Property is being used in a manner that is prohibited or restricted, or that may need to be prohibited or restricted, under the Consent Decree; and
- (8) Implementing, monitoring, maintaining, reporting on, and enforcing any land, water, or other resource use restrictions regarding the Affected Property.

b. Refrain from using its Affected Property in any manner that EPA determines will (i) pose an unacceptable risk to human health or to the environment due to exposure to hazardous substances or (ii) interfere with or adversely affect the implementation, integrity, or protectiveness of response actions at the Site.

24. If EPA determines in a decision document prepared in accordance with the NCP that institutional controls in the form of state or local laws, regulations, ordinances, zoning restrictions, or other governmental controls or notices are needed regarding the Affected Property, Defendant shall cooperate with EPA’s efforts to secure and ensure compliance with such institutional controls.

25. Notice to Successors-in-Title

a. Defendant shall, within 15 days after the Effective Date, submit for EPA approval a notice to be filed regarding the Affected Property in the appropriate land records. The notice must: (1) include a proper legal description of the Affected Property; (2) provide notice to all successors-in-title: (i) that the Affected Property is part of, or related to, the Site; (ii) that EPA performed a response action for the Site; and (3) identify the document requiring implementation of the response action, including, if applicable, the name and civil action or docket number of the matter. Defendant shall record the notice within 10 days after EPA's approval of the notice and submit to EPA, within 10 days thereafter, a certified copy of the recorded notice.

b. Defendant shall, prior to entering into a contract to Transfer its Affected Property, or 60 days prior to Transferring its Affected Property, whichever is earlier:

(1) Notify the proposed transferee that EPA performed a response action regarding the Site; and

(2) Notify EPA of the name and address of the proposed transferee and provide EPA with a copy of the above notice that it provided to the proposed transferee.

26. In the event of any Transfer of the Affected Property, unless the United States otherwise consents in writing, Defendant shall continue to comply with its obligations under the Consent Decree.

27. Notwithstanding any provision of the Consent Decree, the United States retains all of its access authorities and rights, as well as all of its rights to require institutional controls, including enforcement authorities related thereto, under CERCLA, RCRA, and any other applicable statute or regulations.

XII. ACCESS TO INFORMATION

28. Defendant shall provide to EPA, upon request, copies of all records, reports, documents, and other information (including records, reports, documents, and other information in electronic form) (hereinafter referred to as "Records") within its possession or control or that of its contractors or agents relating to activities at the Site, including, but not limited to, sampling, analysis, chain of custody records, manifests, trucking logs, receipts, reports, sample traffic routing, correspondence, or other documents or information regarding the Site.

29. Privileged and Protected Claims

a. Defendant may assert that all or part of a Record is privileged or protected as provided under federal law, provided they comply with Paragraph 29.b, and except as provided in Paragraph 29.c.

b. If Defendant asserts a claim of privilege or protection, it shall provide Plaintiff with the following information regarding such Record: its title; its date; the name, title, affiliation (e.g., company or firm), and address of the author, each addressee, and of each recipient; a description of the Record's contents; and the privilege or protection asserted. If a

claim of privilege or protection applies only to a portion of a Record, Defendant shall provide the Record to Plaintiff in redacted form to mask the privileged or protected information only. Defendant shall retain all Records that it claims to be privileged or protected until the United States has had a reasonable opportunity to dispute the privilege or protection claim and any such dispute has been resolved in the Defendant's favor.

c. Defendant may make no claim of privilege or protection regarding:

(1) any data regarding the Site, including but not limited to, all sampling, analytical, monitoring, hydrogeologic, scientific, chemical, radiological, or engineering data, or the portion of any other Record that evidences conditions at or around the Site; or

(2) the portion of any Record that Defendant is required to create or generate pursuant to this Consent Decree.

30. **Business Confidential Claims.** Defendant may assert that all or part of a Record submitted to Plaintiff under this Section or Section XIII (Retention of Records) is business confidential to the extent permitted by and in accordance with Section 104(e)(7) of CERCLA, 42 U.S.C. § 9604(e)(7), and 40 C.F.R. 2.203(b). Defendant shall segregate and clearly identify all Records or parts thereof submitted under this Consent Decree for which Defendant asserts a business confidentiality claim. Records that Defendant claims to be confidential business information will be accorded the protection specified in 40 C.F.R. Part 2, Subpart B. If no claim of confidentiality accompanies Records when they are submitted to EPA, or if EPA has notified Defendant that the Records are not confidential under the standards of Section 104(e)(7) of CERCLA or 40 C.F.R. Part 2 Subpart B, the public may be given access to such Records without further notice to Defendant.

31. Notwithstanding any provision of this Consent Decree, the United States retains all of its information gathering and inspection authorities and rights, including enforcement actions related thereto, under CERCLA, RCRA, and any other applicable statutes or regulations.

XIII. RETENTION OF RECORDS

32. Until 10 years after the Effective Date, Defendant shall preserve and retain all non-identical copies of Records now in its possession or control or that come into its possession or control, that relate in any manner to its liability under CERCLA with respect to the Site and all Records that relate to the liability of any other person under CERCLA with respect to the Site. Each of the above record retention requirements shall apply regardless of any corporate retention policy to the contrary.

33. At the conclusion of the record retention period, Defendant shall notify EPA and DOJ at least 90 days prior to the destruction of any such Records, and, upon request by EPA or DOJ, and except as provided in Paragraph 29 (Privileged and Protected Claims), Defendant shall deliver any such Records to EPA.

34. Defendant certifies that, to the best of its knowledge and belief, after thorough inquiry, it has not altered, mutilated, discarded, destroyed or otherwise disposed of any Records

(other than identical copies) relating to its potential liability regarding the Site since notification of potential liability by the United States or the State and that it has fully complied with any and all EPA and State requests for information regarding the Site pursuant to Sections 104(e) and 122(e)(3)(B) of CERCLA, 42 U.S.C. §§ 9604(e) and 9622(e)(3)(B), Section 3007 of RCRA, 42 U.S.C. § 6927, and state law.

XIV. NOTICES AND SUBMISSIONS

35. Whenever, under the terms of this Consent Decree, notice is required to be given or a document is required to be sent by one party to another, it shall be directed to the individuals at the addresses specified below, unless those individuals or their successors give notice of a change to the other Parties in writing. Except as otherwise provided, notice to a Party by email (if that option is provided below) or by regular mail in accordance with this Section satisfies any notice requirement of the Consent Decree regarding such Party.
