I. BACKGROUND

A. The United States of America (“United States”), on behalf of the Administrator of the United States Environmental Protection Agency (“EPA”); and the State of Texas (“State”), on behalf of the Texas Commission on Environmental Quality (“TCEQ”), filed a complaint in this matter pursuant to Section 107 of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, 42 U.S.C. § 9607 (“CERCLA”), as amended, seeking reimbursement of response costs incurred or to be incurred for response actions taken at or in connection with the release or threatened release of hazardous substances at the State Marine Superfund Site, located in the City of Port Arthur, Jefferson County, Texas (“the Site”). The State also alleged that the Settling Defendants are liable to the State under Section 361.197 of the Texas Solid Waste Disposal Act (“TSWDA”), TEX. HEALTH & SAFETY CODE § 361.197.

B. The defendants that have entered into this Consent Decree (“Settling Defendants”) do not admit any liability to Plaintiffs arising out of the transactions or occurrences alleged in the complaint.

C. The United States, the State and Settling Defendants agree, and this Court by entering this Consent Decree finds, that this Consent Decree has been negotiated by the Parties in good faith, that settlement of this matter will avoid prolonged and complicated litigation between the Parties, and that this Consent Decree is fair, reasonable, and in the public interest.

THEREFORE, with the consent of the Parties to this Decree, it is ORDERED, ADJUDGED, AND DECREED:

Nothing in this Consent Decree shall prevent the simultaneous accrual of separate penalties for separate violations of this Consent Decree.

15. Payments made under this Section shall be in addition to any other remedies or

sanctions available to Plaintiffs by virtue of Settling Defendants' failure to comply with the requirements of this Consent Decree.

16. The obligations of Settling Defendants to pay amounts owed the United States and the State under Paragraphs 5, 9, 12 and 13 of this Consent Decree are joint and several. In the event of the failure of any Settling Defendant to make the payments required under Paragraph 5, 9, 12 or 13 of this Consent Decree, the remaining Settling Defendants shall be responsible for such payments.

17. Notwithstanding any other provision of this Section, the United States may, in its unreviewable discretion, waive payment of any portion of the stipulated penalties that have accrued pursuant to this Consent Decree. Payment of stipulated penalties shall not excuse Settling Defendants from payment as required by Section VI or from performance of any other requirements of this Consent Decree.

VIII. COVENANTS NOT TO SUE BY PLAINTIFFS

18. Covenants for Settling Defendants by United States. Except as specifically provided in Section IX (Reservation of Rights by Plaintiffs), the United States covenants not to sue or to take administrative action against Settling Defendants pursuant to Sections 106 and 107(a) of CERCLA, 42 U.S.C. §§ 9606 and 9607(a), and Section 7003 of RCRA, 42 U.S.C. § 6973, with regard to the Site. With respect to present and future liability, this covenant shall take effect upon receipt by EPA of the payment required by Paragraph 5 (Payment by Settling Defendants to the United States for Past Response Costs) and any Interest due thereon under Paragraph 12 or stipulated penalties due under Paragraph 13 (Stipulated Penalty). These covenants not to sue are conditioned upon the satisfactory performance by Settling Defendants of their obligations under this Consent Decree. These covenants not to sue extend only to Settling

Defendants and do not extend to any other person.

19. Covenants for Settling Defendants by the State. Except as specifically provided in Section IX (Reservation of Rights by Plaintiffs), the State covenants not to sue or to take administrative action against Settling Defendants pursuant to Section 107(a) of CERCLA, 42 U.S.C. § 9607(a); Section 7002 of RCRA, 42 U.S.C. § 6972; subchapters F–L of the Texas Solid Waste Disposal Act, Tex. Health & Safety Code §§ 361.181–361.345; subchapters C and D of Chapter 7 of the Texas Water Code, Tex. Water Code §§ 7.051-7.111; or Tex. Water Code §§ 26.261–26.267, with regard to the Site. With respect to present and future liability, this covenant shall take effect upon receipt by the State of the payment required by Paragraph 9 (Payment by Settling Defendants to the State for Past Response Costs) and any Interest due thereon under Paragraph 12 or stipulated penalties due under Paragraph 13 (Stipulated Penalty). These covenants not to sue are conditioned upon the satisfactory performance by Settling Defendants of their obligations under this Consent Decree. These covenants not to sue extend only to Settling Defendants and do not extend to any other person.

IX. RESERVATIONS OF RIGHTS BY PLAINTIFFS

20. The United States and the State reserve, and this Consent Decree is without prejudice to, all rights against Settling Defendants with respect to all matters not expressly included within the Covenants Not To Sue By Plaintiffs in Section VIII. Notwithstanding any other provision of this Consent Decree, the United States and the State reserve all rights against Settling Defendants with respect to:

- a. liability for failure of the Settling Defendants to meet a requirement of this Consent Decree;
- b. criminal liability;

- c. liability for damages for injury to, destruction of, or loss of natural resources, and for the costs of any natural resource damage assessments;
- d. liability based on the ownership or operation of the Site by Settling Defendants when such ownership or operation commences after signature of this Consent Decree by Settling Defendants;
- e. liability based on Settling Defendants' transportation, treatment, storage, or disposal, or the arrangement for the transportation, storage, or disposal of a hazardous substance or a solid waste at or in connection with the Site, after signature of this Consent Decree by Settling Defendants;
- f. liability arising from the past, present, or future disposal, release or threat of release of a hazardous substance, pollutant, or contaminant outside of the Site.

21. Notwithstanding any other provision of this Consent Decree, the United States and the State reserve, and this Consent Decree is without prejudice to, the right to institute proceedings in this action or in a new action, or to issue an administrative order seeking to compel Settling Defendants (1) to perform response actions relating to the Site or (2) to reimburse the United States or the State for additional costs of response if:

- (i) conditions at the Site, previously unknown to EPA, are discovered, or
- (ii) information, previously unknown to EPA, is received, in whole or in part, and EPA determines that these previously unknown conditions or information together with any other relevant information indicates that the Removal Action and/or Remedial Action is not protective of human health or the environment.

22. For purposes of Paragraph 21, the information and the conditions known to EPA

shall include only that information and those conditions known to EPA as of the date the Record of Decision (“ROD”) for the Site was signed and set forth in that ROD and the administrative record supporting that ROD.

X. COVENANTS BY SETTLING DEFENDANTS

23. Covenants by Settling Defendants. Settling Defendants covenant not to sue and agree not to assert any claims or causes of action against the United States or the State, or their contractors or employees, with respect to the Site or this Consent Decree, including but not limited to:

a. any direct or indirect claim for reimbursement from the Hazardous Substance Superfund based on Sections 106(b)(2), 107, 111, 112, or 113 of CERCLA, 42 U.S.C. §§ 9606(b)(2), 9607, 9611, 9612, or 9613, or any other provision of law;

b. any claim arising out of response actions at or in connection with the Site, including any claim under the United States Constitution, the Constitution of the State of Texas, the Tucker Act, 28 U.S.C. § 1491, the Equal Access to Justice Act, 28 U.S.C. § 2412, as amended, or at common law;

c. any claim pursuant to Section 107 or 113 of CERCLA, 42 U.S.C. § 9607 or 9613, Section 7002(a) of RCRA, 42 U.S.C. § 6972(a), or state law relating to the Site; or

d. any claim that the State’s actions in this case have been frivolous, unreasonable, or without foundation, within the meaning of TEX. HEALTH & SAFETY CODE § 361.342, or that its pleadings have been groundless, brought in bad faith, brought for the purpose of harassment, fictitious, or false.

24. Except as provided in Paragraph 26 (Claims Against Other PRPs) and Paragraph 31 (Waiver of Claims-Splitting Defenses), these covenants not to sue shall not apply in the event

the United States or the State, respectively, brings a cause of action or issues an order pursuant to any of the reservations set forth in Section IX (Reservations of Rights by Plaintiffs), other than in Paragraph 20(a) (liability for failure to meet a requirement of this Consent Decree) or 20(b) (criminal liability), but only to the extent that Settling Defendant's claims arise from the same response action or response costs that the United States or the State, respectively, is seeking pursuant to the applicable reservation.

25. Nothing in this Consent Decree shall be deemed to constitute approval or preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611, or 40 C.F.R. 300.700(d).

26. Claims Against Other PRPs. Each Settling Defendant agrees not to assert any claims and agrees to waive all claims or causes of action (including but not limited to claims or causes of action under CERCLA Sections 107(a) and 113, 42 U.S.C. §§ 9607(a), 9613) that it may have for response costs relating to the Site against any other person who is a potentially responsible party at the Site under CERCLA. This waiver shall not apply with respect to any defense, claim or cause of action that the Settling Defendant may have against any person if such person asserts a claim or cause of action relating to the Site against such Settling Defendant.

XI. EFFECT OF SETTLEMENT; CONTRIBUTION

27. Except as provided in Paragraph 26 (Claims Against Other PRPs), nothing in this Consent Decree shall be construed to create any rights in, or grant any cause of action to, any person not a Party to this Consent Decree. Except as provided in Paragraph 26 (Claims Against Other PRPs), each Party expressly reserves any and all rights (including, but not limited to, pursuant to Section 113 of CERCLA, 42 U.S.C. § 9613), defenses, claims, demands, and causes of action that such Party may have with respect to any matter, transaction, or occurrence relating

in any way to the Site against any person not a Party to this Consent Decree. Nothing in this Consent Decree diminishes the right of the United States and the State, pursuant to Section 113(f)(2) and (3) of CERCLA, 42 U.S.C. § 9613(f)(2)-(3), to pursue any such persons to obtain additional response costs or response action and to enter into settlements that give rise to contribution protection pursuant to Section 113(f)(2).

28. Contribution Protection under CERCLA. The Parties agree, and by entering this Consent Decree this Court finds, that this Consent Decree constitutes a judicially-approved settlement for purposes of Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), and that each Settling Defendant is entitled, as of the Effective Date, to protection from contribution actions or claims as provided by Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), or as may be otherwise provided by law, for “matters addressed” in this Consent Decree. The “matters addressed” in this Consent Decree are all response actions taken or to be taken and all response costs incurred or to be incurred, at or in connection with the Site, by the United States, the State, or any other person; provided, however, that if the United States or the State exercises rights under the reservations in Section IX (Reservations of Rights by Plaintiffs), other than in Paragraphs 20(a) (claims for failure to meet a requirement of the Consent Decree) and 20(b) (criminal liability), the “matters addressed” in this Consent Decree will no longer include those response costs or response actions that are within the scope of the exercised reservation.

29. Contribution Protection under the TSWDA. The Parties agree, and by entering this Consent Decree the Court finds, that this Consent Decree constitutes a settlement agreement with the State that resolves all liability of the Settling Defendants to the State as regards the Site, within the meaning of TEX. HEALTH & SAFETY CODE § 361.277(b), and therefore the Settling Defendants are released from liability to other persons who may have incurred response costs at

the Site, as described in TEX. HEALTH & SAFETY CODE § 361.344(a), for cost recovery, contribution, or indemnity regarding a matter addressed in this Consent Decree, as provided by TEX. HEALTH & SAFETY CODE § 361.277(b).

30. Each Settling Defendant shall, with respect to any suit or claim brought by it for matters related to this Consent Decree, notify EPA, DOJ and the State in writing no later than 60 days prior to the initiation of such suit or claim. Each Settling Defendant also shall, with respect to any suit or claim brought against it for matters related to this Consent Decree, notify EPA, DOJ and the State in writing within 10 days after service of the complaint or claim upon it. In addition, each Settling Defendant shall notify EPA, DOJ and the State within 10 days after service or receipt of any Motion for Summary Judgment, and within 10 days after receipt of any order from a court setting a case for trial, for matters related to this Consent Decree.

31. Waiver of Claim-Splitting Defenses: In any subsequent administrative or judicial proceeding initiated by the United States or the State for injunctive relief, recovery of response costs, or other relief relating to the Site, Settling Defendants shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, *res judicata*, collateral estoppel, issue preclusion, claim-splitting, or other defenses based upon any contention that the claims raised by the United States or the State in the subsequent proceeding were or should have been brought in the instant case; provided, however, that nothing in this Paragraph affects the enforceability of the Covenants Not to Sue set forth in Section VIII (Covenants Not to Sue by Plaintiffs).

XII. ACCESS TO INFORMATION

32. Settling Defendants shall provide to EPA and the State, upon request, copies of all records, reports, documents, or other information (hereinafter referred to as “records”) within

their possession or control or that of their contractors or agents relating to activities at the Site, including, but not limited to, sampling, analysis, chain of custody records, manifests, trucking logs, receipts, reports, sample traffic routing, correspondence, or other documents or information related to the Site.

33. Confidential Business Information and Privileged Documents.

a. Settling Defendants may assert business confidentiality claims covering part or all of the records submitted to the United States under this Consent Decree to the extent permitted by and in accordance with Section 104(e)(7) of CERCLA, 42 U.S.C. § 9604(e)(7), and 40 C.F.R. § 2.203(b). Records determined to be confidential by EPA will be accorded the protection specified in 40 C.F.R. Part 2, Subpart B. If no claim of confidentiality accompanies records when they are submitted to EPA, or if EPA has notified Settling Defendants that the records are not confidential under the standards of Section 104(e)(7) of CERCLA or 40 C.F.R. Part 2, Subpart B, the public may be given access to such records without further notice to Settling Defendants.

b. Settling Defendants may assert that certain records are privileged under the attorney-client privilege or any other privilege recognized by federal law (or Texas law, as to any records sought by the State). If Settling Defendants assert such a privilege in lieu of providing records, they shall provide Plaintiffs with the following: 1) the title of the record; 2) the date of the record; 3) the name, title, affiliation (*e.g.*, company or firm), and address of the author of the record; 4) the name and title of each addressee and recipient; 5) a description of the subject of the record; and 6) the privilege asserted. If a claim of privilege applies only to a portion of a record, the record shall be provided to the Plaintiffs in redacted form to mask the privileged information only. Settling Parties shall retain all records that they claim to be privileged until the Plaintiffs

have had a reasonable opportunity to dispute the privilege claim and any such dispute has been resolved in the Settling Parties' favor. However, no records created or generated pursuant to the requirements of this or any other settlement with the United States shall be withheld on the grounds that they are privileged.

c. Records submitted to the State shall be subject to the confidentiality and public access requirements of the Texas Public Information Act, TEX. GOV'T CODE § 552.001 *et seq.*

34. No claim of confidentiality shall be made with respect to any data, including but not limited to all sampling, analytical, monitoring, hydrogeologic, scientific, chemical, or engineering data, or any other records evidencing conditions at or around the Site.

XIII. RETENTION OF RECORDS

35. Until ten years after the entry of this Consent Decree, each Settling Defendant shall preserve and retain all non-identical copies of Records (including records in electronic form) now in its possession or control, or that come into its possession or control, that relate in any manner to response actions taken at the Site or the liability of any person under CERCLA with respect to the Site, regardless of any corporate retention policy to the contrary.

36. After the conclusion of the ten-year document retention period in the preceding Paragraph, Settling Defendants shall notify EPA, DOJ and the State at least 90 days prior to the destruction of any such Records, and, upon request by EPA, DOJ or the State, Settling Defendants shall deliver any such Records to EPA or the State, respectively. Settling Defendants may assert that certain Records are privileged under the attorney-client privilege or any other privilege recognized by federal law. If Settling Defendants assert such a privilege, they shall provide Plaintiffs with the following: (1) the title of the Record; (2) the date of the Record; (3) the name,

title, affiliation (e.g., company or firm), and address of the author of the Record; (4) the name and title of each addressee and recipient; (5) a description of the subject of the Record; and (6) the privilege asserted. If a claim of privilege applies only to a portion of a Record, the Record shall be provided to Plaintiffs in redacted form to mask the privileged information only. Settling Defendants shall retain all Records that they claim to be privileged until the Plaintiffs have had a reasonable opportunity to dispute the privilege claim and any such dispute has been resolved in the Settling Defendants' favor. However, no Records created or generated pursuant to the requirements of this Consent Decree shall be withheld on the grounds that they are privileged or confidential.

37. XV. RETENTION OF JURISDICTION

39. This Court shall retain jurisdiction over this matter for the purpose of interpreting and enforcing the terms of this Consent Decree.

XVI. INTEGRATION

40. This Consent Decree, and its appendices, constitute the final, complete and exclusive agreement and understanding among the Parties with respect to the settlement embodied in this Consent Decree. The Parties acknowledge that there are no representations, agreements, or understandings relating to the settlement other than those expressly contained in this Consent Decree.

XVII. LODGING AND OPPORTUNITY FOR PUBLIC COMMENT

41. This Consent Decree shall be lodged with the Court for a period of not less than 30 days for public notice and comment. This Consent Decree is also subject to the opportunity for a public meeting as described in Section 7003(d) of RCRA, 42 U.S.C. § 6973(d). The United States and the State each reserve the right to withdraw or withhold their consent if the comments regarding the Consent Decree disclose facts or considerations which indicate that this Consent Decree is inappropriate, improper, or inadequate. Settling Defendants consent to the entry of this Consent Decree without further notice.

42. If for any reason this Court should decline to approve this Consent Decree in the form presented, this agreement is voidable at the sole discretion of any Party and the terms of the agreement may not be used as evidence in any litigation between the Parties.

XVIII. SIGNATORIES/SERVICE

43. Each undersigned representative of a Settling Defendant to this Consent Decree; the Assistant Attorney General, Environment and Natural Resources Division, United States Department of Justice; and the Attorney General of Texas, for the State, certifies that he or she is authorized to enter into the terms and conditions of this Consent Decree and to execute and bind legally such Party to this document.

44. Each Settling Defendant agrees not to oppose entry of this Consent Decree by this Court or to challenge any provision of this Consent Decree, unless the United States has notified Settling Defendants in writing that it no longer supports entry of the Consent Decree.

45. Each Settling Defendant shall identify, on the attached signature page, the name and address of an agent who is authorized to accept service of process by mail on behalf of that Party with respect to all matters arising under or relating to this Consent Decree. The Parties agree that Settling Defendants need not file an answer to the complaint in this action unless or until the Court expressly declines to enter this Consent Decree.

XIX. FINAL JUDGMENT

46. Upon entry of this Consent Decree by the Court, this Consent Decree shall constitute the final judgment between and among the United States, the State and the Settling

Defendants. The Court finds that there is no just reason for delay and therefore enters this judgment as a final judgment under Fed. R. Civ. P. 54 and 58.
