CONSENT DECREE

I. BACKGROUND

A. The United States of America (“United States”), on behalf of the Administrator of the United States Environmental Protection Agency (“EPA”), filed a complaint in this matter pursuant to Section 107 of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, 42 U.S.C. § 9607, as amended (“CERCLA”), seeking reimbursement of response costs incurred at or in connection with the Solvents Recovery Service of New England, Inc. Superfund Site in Southington, Connecticut (“the Site”).

B. The State of Connecticut (the “State”) also filed a complaint against the defendants in this Court alleging that the defendants are liable to the State under Section 107 of CERCLA, 42 U.S.C. § 9607, and Conn. Gen. Stat. § 22a-451. The State in its complaint seeks reimbursement of response costs incurred at or in connection with the Site.

C. The defendants that have entered into this Consent Decree (“Settling Defendants”) do not admit any liability to Plaintiffs arising out of the transactions or occurrences alleged in the complaints.

D. Each Settling Defendant asserts that it has a limited ability to pay response costs incurred and to be incurred at the Site. The United States has reviewed the Financial Information submitted by each Settling Defendant to determine whether each one is financially able to pay response costs incurred and to be incurred at the Site. Based upon this Financial Information, the United States has determined that each Settling Defendant has a limited ability to pay, but is able to pay the amounts specified in Section VI.

E. The Parties agree, and this Court by entering this Consent Decree finds, that this Consent Decree has been negotiated by the Parties in good faith, that settlement of this matter will avoid prolonged and complicated litigation between the Parties, and that this Consent Decree

is fair, reasonable, and in the public interest.

THEREFORE, with the consent of the Parties to this Decree, it is ORDERED, ADJUDGED, AND DECREED:

II. JURISDICTION

14. Stipulated Penalty.

a. If any amount due under Section VI is not paid by the required date, the Settling Defendant responsible for the payment shall be in violation of this Consent Decree and shall pay to EPA a stipulated penalty, in addition to the Interest required to be paid to the Trust by Paragraph 13, \$1,000 per violation per day that such payment is late.

d. Penalties shall accrue as provided in this Paragraph regardless of whether EPA has notified a Settling Defendant of its violation or made a demand for payment, but need only be paid upon demand. All penalties shall begin to accrue on the day after payment is due and shall continue to accrue through the date of payment. Nothing herein shall prevent the simultaneous accrual of separate penalties for separate violations of this Consent Decree.

15. If the United States or the State brings an action to enforce this Consent Decree against a Settling Defendant, that Settling Defendant shall reimburse the United States and the State for all costs of such action, including but not limited to costs of attorney time.

16. Payments made under this Section shall be in addition to any other remedies or sanctions available to Plaintiffs by virtue of a Settling Defendant's failure to comply with the requirements of this Consent Decree.

17. Notwithstanding any other provision of this Section, the United States may, in its unreviewable discretion, waive payment of any portion of the stipulated penalties that have accrued pursuant to this Consent Decree. Payment of stipulated penalties shall not excuse any Settling Defendant from payment as required by Section VI or from performance of any other requirements of this Consent Decree.

VIII. COVENANT NOT TO SUE BY PLAINTIFFS

18. Except as specifically provided in Section IX (Reservation of Rights by Plaintiffs), the United States covenants not to sue or to take administrative action against Settling Defendants pursuant to Sections 106 or 107(a) of CERCLA, 42 U.S.C. §§ 9606 or 9607(a), or section 7003 of the Resource Conservation and Recovery Act, 42 U.S.C. § 6973, with regard to the Site, including Natural Resource Damages and all obligations under the Consent Orders. With respect to the present and future liability of each Settling Defendant, this covenant shall take effect upon receipt of all amounts required to be paid by that Settling Defendant to the Trust pursuant to Section VI (Payments), and any amount due from that Settling Defendant to the Trust and EPA under Section VII (Failure to Comply with Consent Decree). This covenant not to sue each Settling Defendant is conditioned upon the satisfactory performance by that Settling Defendant of its obligations under this Consent Decree. This covenant not to sue each Settling Defendant is also conditioned upon the veracity and completeness of the Financial Information provided to EPA by that Settling Defendant. If the Financial Information submitted by a Settling Defendant is subsequently determined by EPA to be false or, in any material respect, inaccurate, that Settling Defendant shall forfeit all payments made pursuant to this Consent Decree and this covenant not to sue and the contribution protection in Paragraph 28 shall be null and void. Such forfeiture shall not constitute liquidated damages and shall not in any way foreclose the United States' right to pursue any other causes of action arising from a Settling Defendant's false or materially inaccurate information. This covenant not to sue extends only to Settling Defendants and does not extend to any other person.

19. In consideration of the payments that will be made by Settling Defendants under the terms of the Consent Decree, and except as specifically provided in Section IX (Reservation of Rights by Plaintiffs), Paragraphs 22 and 23, the State covenants not to sue or to take administrative action against Settling Defendants pursuant to Sections 107(a) of CERCLA, 42 U.S.C. § 9607(a), section 7003 of the Resource Conservation and Recovery Act, 42 U.S.C. §

6973, or Conn. Gen. Stats. §§ 22a-432, 22a-451, 22a-6a and 22a-14 through 22a-20, inclusive, relating to the Site, including Natural Resource Damages and all obligations under the Consent Orders. With respect to the present and future liability of each Settling Defendant, this covenant shall take effect upon receipt by the Trust of all amounts required to be paid by that Settling Defendant to the Trust by Section VI (Payments) and any amount due the Trust and EPA under Section VII (Failure to Comply with Consent Decree). This covenant not to sue each Settling Defendant is conditioned upon the satisfactory performance by that Settling Defendant of its obligations under this Consent Decree. This covenant not to sue each Settling Defendant is also conditioned upon the veracity and completeness of the Financial Information provided to EPA by that Settling Defendant. If the Financial Information submitted by a Settling Defendant is subsequently determined by the State to be false or, in any material respect, inaccurate, that Settling Defendant shall forfeit all payments made pursuant to this Consent Decree and this covenant not to sue and the contribution protection in Paragraph 28 shall be null and void. Such forfeiture shall not constitute liquidated damages and shall not in any way foreclose the State's right to pursue any other causes of action arising from a Settling Defendant's false or materially inaccurate information. This covenant not to sue extends only to Settling Defendants and does not extend to any other person.

IX. RESERVATION OF RIGHTS BY PLAINTIFFS

20. The United States reserves, and this Consent Decree is without prejudice to, all rights against Settling Defendants with respect to all matters not expressly included within the Covenant Not to Sue by the United States in Paragraph 18. Notwithstanding any other provision of this Consent Decree, the United States reserves all rights against Settling Defendants with respect to:

- a. liability of a Settling Defendant for failure of that Settling Defendant to meet a requirement of this Consent Decree;
- b. criminal liability;
- c. liability, based upon a Settling Defendant's ownership or operation of the Site, or upon a Settling Defendant's transportation, treatment, storage, or disposal, or the arrangement for the transportation, treatment, storage, or disposal, of a hazardous substance or a solid waste at or in connection with the Site, after signature of this Consent Decree by that Settling Defendant; and
- d. liability arising from the past, present, or future disposal, release or threat of release of a hazardous substance, pollutant, or contaminant outside of the Site.

21. Notwithstanding any other provision of this Consent Decree, the United States reserves, and this Consent Decree is without prejudice to, the right to reinstitute or reopen this action, or to commence a new action seeking relief other than as provided in this Consent Decree, against a Settling Defendant if the Financial Information provided by that Settling Defendant, or the financial certification made by that Settling Defendant in Paragraph 33(b), is determined by EPA to be false or, in any material respect, inaccurate.

22. The State reserves, and this Consent Decree is without prejudice to, all rights against Settling Defendants with respect to all matters not expressly included within the Covenant Not to Sue by the State in Paragraph 19. Notwithstanding any other provision of this Consent Decree,

the State reserves all rights against Settling Defendants with respect to:

- a. liability of a Settling Defendant for failure of that Settling Defendant to meet a requirement of this Consent Decree;
- b. criminal liability;
- c. liability, based upon a Settling Defendant's ownership or operation of the Site, or upon a Settling Defendant's transportation, treatment, storage, or disposal, or the arrangement for the transportation, treatment, storage, or disposal, of a hazardous substance or a solid waste at or in connection with the Site, after signature of this Consent Decree by that Settling Defendant; and
- d. liability arising from the past, present, or future disposal, release or threat of release of a hazardous substance, pollutant, or contaminant outside of the Site.

23. Notwithstanding any other provision of this Consent Decree, the State reserves, and this Consent Decree is without prejudice to, the right to reinstitute or reopen this action, or to commence a new action seeking relief other than as provided in this Consent Decree, against a Settling Defendant if the Financial Information provided by that Settling Defendant, or the financial certification made by that Settling Defendant in Paragraph 33(b), is determined by the State to be false or, in any material respect, inaccurate.

X. COVENANT NOT TO SUE BY SETTling DEFENDANTS

24. Each Settling Defendant covenants not to sue and agrees not to assert any claims or causes of action against the United States or the State, or their contractors or employees, with respect to the Site or this Consent Decree, including but not limited to:

- a. any direct or indirect claim for reimbursement from the Hazardous Substance Superfund based on Sections 106(b)(2), 107, 111, 112, or 113 of CERCLA, 42 U.S.C. §§ 9606(b)(2), 9607, 9611, 9612, or 9613, or any other provision of law;

- b. any claim arising out of response actions at or in connection with the Site, including any claim under the United States Constitution, the State Constitution, the Tucker Act, 28 U.S.C. § 1491, the Equal Access to Justice Act, 28 U.S.C. § 2412, as amended, or at common law; or

- c. any claim against the United States or the State pursuant to Sections 107 and 113 of CERCLA, 42 U.S.C. §§ 9607 and 9613, and/or pursuant to Conn. Gen. Stat. §§ 22a-451 and 452, relating to the Site.

Except as provided in Paragraph 26 (Waiver of Claims) and Paragraph 30 (Waiver of Claim-Splitting Defenses), these covenants not to sue shall not apply to a Settling Defendant in the event the United States or the State brings a cause of action or issues an order against that Settling Defendant pursuant to the reservations set forth in Paragraph 20(c) - (d) and Paragraph 22(c) - (d), but only to the extent that the Settling Defendant's claims arise from the same response action or response costs that the United States or the State is seeking pursuant to the applicable reservation.

25. Nothing in this Consent Decree shall be deemed to constitute approval or preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611, or

40 C.F.R. 300.700(d).

26. Settling Defendants agree not to assert any claims and to waive all claims or causes of action (including but not limited to claims or causes of action under Sections 107(a) and 113 of CERCLA) that they may have for all matters relating to the Site against each other or any other person who is a potentially responsible party under CERCLA at the Site. This waiver shall not apply with respect to any defense, claim, or cause of action that a Settling Defendant may have against any person if such person asserts or has asserted a claim or cause of action relating to the Site against such Settling Defendant.

XI. EFFECT OF SETTLEMENT/CONTRIBUTION PROTECTION

27. Except as provided in Paragraph 26, nothing in this Consent Decree shall be construed to create any rights in, or grant any cause of action to, any person not a Party to this Consent Decree. The preceding sentence shall not be construed to waive or nullify any rights that any person not a signatory to this Decree may have under applicable law. Except as provided in Paragraph 26, the Parties expressly reserve any and all rights (including, but not limited to, any right to contribution), defenses, claims, demands, and causes of action which they may have with respect to any matter, transaction, or occurrence relating in any way to the Site against any person not a Party hereto. Nothing in this Consent Decree diminishes the right of the United States, pursuant to Section 113(f)(2) and (3) of CERCLA, 42 U.S.C. § 9613(f)(2)-(3), to pursue any such persons to obtain additional response costs or response action and to enter into settlements that give rise to contribution protection pursuant to Section 113(f)(2).

28. The Parties agree, and by entering this Consent Decree this Court finds, that this settlement constitutes a judicially-approved settlement for purposes of Section 113(f)(2), 42 U.S.C. § 9613(f)(2), and that each Settling Defendant is entitled, as of the date of entry of this Consent Decree, to protection from contribution actions or claims as provided by Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), or as may be otherwise provided by law, for “matters addressed” in this Consent Decree. The “matters addressed” in this Consent Decree are (a) all response actions taken or to be taken and all response costs incurred or to be incurred, at or in connection with the Site, by the United States or any other person, and (b) Natural Resource Damages, provided, however, that if the United States exercises rights under the reservations in Section IX (Reservations of Rights by Plaintiffs), other than in Paragraphs 20.a (claims for failure to meet a requirement of the settlement) or 20.b (criminal liability), the “matters addressed” in this Consent Decree will no longer include those response costs or response actions or natural resource damages that are within the scope of the exercised reservation.

29. Each Settling Defendant shall, with respect to any suit or claim brought against it for matters related to this Consent Decree, notify EPA, DOI, DOJ and the State in writing within 10 days of service of the complaint or claim upon it. In addition, each Settling Defendant shall notify EPA, DOI, DOJ and the State within 10 days of service or receipt of any Motion for Summary Judgment, and within 10 days of receipt of any order from a court setting a case for trial, for matters related to this Consent Decree.

30. In any subsequent administrative or judicial proceeding initiated by the United States or the State for injunctive relief, recovery of response costs, or other relief relating to the Site, Settling Defendants shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, *res judicata*, collateral estoppel, issue preclusion, claim-splitting, or other

defenses based upon any contention that the claims raised by the United States or the State in the subsequent proceeding were or should have been brought in the instant case; provided, however, that nothing in this Paragraph affects the enforceability of the Covenants Not to Sue by Plaintiffs set forth in Section VIII.

XII. RETENTION OF RECORDS

31. Until such time as a Settling Defendant has complied with its obligations pursuant to Section VI of this Consent Decree, that Settling Defendant shall preserve and retain all records now in its possession or control, or which come into its possession or control, that relate in any manner to (a) response actions taken at the Site or (b) the liability of any person under CERCLA with respect to the Site, regardless of any corporate retention policy to the contrary.

32. After the conclusion of the document retention period in the preceding Paragraph, each Settling Defendant shall notify EPA and DOJ and the State at least 90 days prior to the destruction of any such records, and, upon request by EPA or DOJ or the State, that Settling Defendant shall deliver any such records to EPA or the State. Settling Defendants may assert that certain records are privileged under the attorney-client privilege or any other privilege recognized by federal law. If a Settling Defendant asserts such a privilege, it shall provide Plaintiffs with the following: (a) the title of the record; (b) the date of the record; (c) the name and title of the author of the record; (d) the name and title of each addressee and recipient; (e) a description of the subject of the record; and (f) the privilege asserted. However, no records created or generated pursuant to the requirements of this or any other settlement with the United States shall be withheld on the grounds that they are privileged.

33. Anacomp, Captree, Gaisser, Guard All, Armitage, Mace and Mallace each hereby certify that, to the best of its knowledge and belief, after thorough inquiry, it has:

a. not altered, mutilated, discarded, destroyed or otherwise disposed of any records, reports, or other information relating to its potential liability regarding the Site since notification of potential liability by the United States or the State or the filing of suit against it regarding the Site, and that it has fully complied with any and all EPA requests for information regarding the Site and its financial circumstances pursuant to Sections 104(e) and 122(e) of CERCLA, 42 U.S.C. §§ 9604(e) and 9622(e), and Section 3007 of RCRA, 42 U.S.C. § 6927; and

b. submitted to EPA Financial Information that fairly, accurately, and materially sets forth, as applicable, Anacomp's, Captree's, Gaisser's, Guard All's, Armitage's, Mace's and Mallace's financial circumstances, and that those circumstances have not materially changed between the time the Financial Information was submitted to EPA and the time Settling Defendants execute this Consent Decree.

XIII. NOTICES AND SUBMISSIONS

34. Whenever, under the terms of this Consent Decree, notice is required to be given or a document is required to be sent by one party to another, it shall be directed to the individuals at the addresses specified below, unless those individuals or their successors give notice of a change to the other Parties in writing. Written notice as specified herein shall constitute complete satisfaction of any service of process or written notice requirement of the complaint or Consent Decree with respect to the United States, EPA, DOJ, DOI, the State, Anacomp, Captree, Gaisser, Guard All, Armitage, Mace, and Mallace, respectively.
