**CONSENT DECREE**

## I. BACKGROUND

A. The United States of America (“United States”), on behalf of the Environmental Protection Agency (“EPA”), the Department of the Interior (“DOI”) and the Department of Agriculture (“USDA”); the Coeur d’Alene Tribe (“Tribe”); and the State of Idaho (“State”) filed a complaint pursuant to Section 107(a) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended (“CERCLA”), 42 U.S.C. § 9607(a), and for purposes of claims by the State of Idaho, Idaho Code § 39-108, concurrently with lodging of this Consent Decree alleging that Atlantic Richfield Company (“Settling Defendant” or “Atlantic Richfield”) is liable for costs incurred and to be incurred by the United States in responding to the release or threat of release of hazardous substances, pollutants and contaminants at or in connection with Operable Unit 3 (“Coeur d’Alene Basin Site”) of the Bunker Hill Mining and Metallurgical Complex Superfund Site (“Site”) in Northern Idaho and for damages for injury to natural resources resulting from such releases.

B. As a result of the release or threatened release of hazardous substances, EPA and the State have undertaken response actions at or in connection with the Coeur d’Alene Basin Site under Section 104 of CERCLA, 42 U.S.C. § 9604, and Idaho Code § 39-108, and will undertake response actions in the future. In performing these response actions, EPA and the State have incurred and will continue to incur Response Costs, as defined below, at or in connection with the Coeur d’Alene Basin Site. As of May 31, 2010, EPA has incurred more than \$230 million in connection with the Coeur d’Alene Basin Site.

C. The United States, acting by and through DOI and USDA; the Tribe; and the State are co-trustees of injured natural resources, including but not limited to certain migratory natural resources such as fish, wildlife, birds, biota, and water.

D. Settling Defendant Atlantic Richfield and its predecessor, The Anaconda Copper Mining Company or The Anaconda Company, owned and/or operated mining or milling related properties within the Coeur d'Alene Basin.

E. Settling Defendant does not admit any liability to the United States, the Tribe or the State arising out of the transactions or occurrences alleged in the complaint.

F. The Parties agree, and this Court by entering this Consent Decree finds, that this Consent Decree has been negotiated by the Parties in good faith, that settlement of this matter will avoid prolonged and complicated litigation between the Parties, and that this Consent Decree is fair, reasonable, and in the public interest.

THEREFORE, with the consent of the Parties to this Decree, it is ORDERED, ADJUDGED, AND DECREED:

6. The total amount to be paid pursuant to Paragraph 5 shall be deposited in the Bunker Hill Mining and Metallurgical Complex Superfund Site Special Account within the EPA Hazardous Substance Superfund to be retained and used to conduct or finance response actions at

or in connection with the Site, or to be transferred by EPA to the EPA Hazardous Substance Superfund.

8. Such notice shall reference the Coeur d’Alene Basin Site, DOJ case number 90-11-3-128/9, and the civil action number. For the payment to EPA, the notice shall also reference EPA Region 10 and Site/Spill Identification Number 2Q. For the payment to the Natural Resource Trustees, the notice shall also reference “Natural Resource Damages for the Coeur d’Alene Basin Site” and NRDAR Account No.14X5198.

**VII. FAILURE TO COMPLY WITH CONSENT DECREE**

10. Interest on Late Payments. If Settling Defendant fails to make any payment under Paragraph 5 by the required due date, Interest shall accrue on the unpaid balance from the due date through the date of payment.

11. Stipulated Penalties.

a. If any amounts due under Section VI are not paid by the required date, Settling Defendant shall be in violation of this Consent Decree and shall pay, as a stipulated penalty, in addition to the Interest required by Paragraph 10, \$2,000 per violation per day that such payment is late.

b. Stipulated penalties are due and payable within 30 days of the date of the demand for payment of the penalties by the United States, the Tribe or the State. All payments to EPA under this Paragraph for stipulated penalties for late payments pursuant to Paragraph 5 shall be identified as “stipulated penalties” and shall be made by certified or cashier’s check made payable to “EPA Hazardous Substance Superfund.” The check, or a letter accompanying the check, shall reference the name and address of the party making payment, the Coeur d’Alene Basin Site, EPA Region 10 and Site Spill ID Number 2Q, DOJ Case Number 90-11-3-128/9, and the civil action number. US Environmental Protection Agency  
Fines and Penalties  
Cincinnati Finance Center  
PO Box 979077

All payments to the Natural Resource Trustees for stipulated penalties for late payments pursuant to Paragraph 7 shall be owed one-third each to the United States, the Tribe and the State.

Payments shall be identified as “stipulated penalties” and shall be paid following instructions in the demand letter by the respective Natural Resource Trustee. The check, or a letter accompanying the check or providing notice of the wire transfer, shall identify the payment as “stipulated penalties” for late payment of Natural Resource Damages for the Coeur d’Alene Basin Site and shall reference the name and address of the party making payment, the civil action number, and this Consent Decree.

c. At the time of each payment, Settling Defendant shall send notice that payment has been made to the United States, the Tribe and the State in accordance with Section XIV (Notices and Submissions). Such notice shall include the information required by Paragraph 9 and shall identify payments as “stipulated penalties.”

d. Penalties shall accrue as provided in this Paragraph regardless of whether the United States, the Tribe or the State has notified Settling Defendant of the violation or made a demand for payment, but need only be paid upon demand. All penalties shall begin to accrue on the day after payment is due and shall continue to accrue through the date of payment. Nothing herein shall prevent the simultaneous accrual of separate penalties for separate violations of this Consent Decree, including stipulated penalties for late payment of the amounts due under Paragraphs 5 and 7.

12. If the United States, the Tribe, or the State brings an action to enforce this Consent Decree, Settling Defendant shall reimburse the United States, the Tribe, and the State for all costs and expenses of such action, including but not limited to costs of attorney time.

13. Payments made under this Section shall be in addition to any other remedies or sanctions available to the United States, the Tribe, or the State by virtue of Settling Defendant’s failure to comply with the requirements of this Consent Decree.

14. Notwithstanding any other provision of this Section, the United States, the Tribe, and the State each may, in its unreviewable discretion, waive payment of any or all of its share of the stipulated penalties that have accrued pursuant to this Consent Decree. Payment of stipulated penalties shall not excuse Settling Defendant from payments as required by Section VI or from performance of any other requirements of this Consent Decree.

**VIII. CERTIFICATION OF SETTLING DEFENDANT**

15. By signing this Consent Decree, Settling Defendant certifies that, to the best of its knowledge and belief, it:

a. has conducted a thorough, comprehensive, good faith search for documents, and has fully and accurately disclosed to the Plaintiffs, all information currently in its possession, or in the possession of its officers, directors, employees, contractors or agents, that relates in any way to the ownership, operation, or control of the Site, or to the ownership, possession, generation, treatment, transportation, storage or disposal of a hazardous substance, pollutant, or contaminant at or in connection with the Site;

b. has not altered, mutilated, discarded, destroyed or otherwise disposed of any records, documents, or other information relating to its potential liability regarding the Site after notification of potential liability or the filing of a suit against it regarding the Site;

c. has and will comply fully with any and all EPA, Tribe, and State requests for information regarding the Site pursuant to Sections 104(e), 122(e)(3)(B), and 122(g)(8) of CERCLA, 42 U.S.C. §§ 9604(e), 9622(e)(3)(B), and 9622(g)(8).

**IX. COVENANT NOT TO SUE BY UNITED STATES, THE TRIBE, AND THE STATE**

16. Covenant Not to Sue by the United States, the Tribe, and the State. Except as specifically provided in Section X (Reservation of Rights), the United States, the Tribe, and the

State covenant not to sue or to take administrative action against Settling Defendant pursuant to Sections 106 and 107(a) of CERCLA, 42 U.S.C. §§ 9606 and 9607, relating to the Site. The State further covenants not to sue or to take action against Settling Defendant pursuant to the Hazardous Waste Management Act (HWMA), Idaho Code Section 39-4401, *et seq.*, the Environmental Protection and Health Act (EPA), Idaho Code Section 39-101, *et seq.*, or any other applicable statutory or common law provision to recover costs or damages or obtain the performance of actions relating to the presence of or the release or threatened release of Hazardous Substances at, in, from, on, or under the Site. With respect to present and future liability, this covenant shall take effect upon receipt by EPA and the Natural Resource Trustees of all amounts required by Section VI (Payments for Response Costs and Natural Resource Damages). This covenant not to sue is conditioned upon the satisfactory performance by Settling Defendant of its obligations under this Consent Decree and the veracity of the information provided to the United States by Settling Defendant relating to the Settling Defendant's involvement with the Site. This covenant not to sue extends only to Settling Defendant and does not extend to any other person.

**X. RESERVATION OF RIGHTS BY UNITED STATES, THE TRIBE, AND THE STATE**

17. The United States, the Tribe, and the State reserve, and this Consent Decree is without prejudice to, all rights against Settling Defendant with respect to all matters not expressly included within the Covenant Not to Sue by United States, the Tribe, and the State in Paragraph 16. Notwithstanding any other provision of this Consent Decree, the United States, the Tribe, and the State reserve all rights against Settling Defendant with respect to:

- a. claims based on a failure by Settling Defendant to meet a requirement of this Consent Decree;
- b. criminal liability;
- c. liability based upon the ownership or operation of any portion of the Site after signature of this Consent Decree by the Settling Defendant;
- d. liability based upon the transportation, treatment, storage, or disposal, or the arrangement for the transportation, treatment, storage, or disposal, of a hazardous substance or a solid waste at or in connection with the Site, after signature of this Consent Decree by Settling Defendant; and
- e. liability arising from the past, present, or future disposal, release or threat of release of a hazardous substance, pollutant, or contaminant outside of the Site.

**XI. COVENANT NOT TO SUE BY SETTLING DEFENDANT**

18. Settling Defendant covenants not to sue and agrees not to assert any claims or causes of action against the United States, the Tribe, or the State, or their contractors or employees, with respect to the Site or this Consent Decree, including but not limited to:

- a. any direct or indirect claim for reimbursement from the Hazardous Substance Superfund based on Sections 106(b)(2), 107, 111, 112, or 113 of CERCLA, 42 U.S.C. §§ 9606(b)(2), 9607, 9611, 9612, or 9613, or any other provision of law;
- b. any claim arising out of response actions at or in connection with the Site, including any claim under the United States Constitution, the Constitution of the State of Idaho, the Tucker Act, 28 U.S.C. § 1491, the Equal Access to Justice Act, 28 U.S.C. § 2412, as amended, or at common law; or

c. any claim against the United States, the Tribe, or the State pursuant to Sections 107 and 113 of CERCLA, 42 U.S.C. §§ 9607 and 9613, relating to the Site.

19. Nothing in this Consent Decree shall be deemed to constitute approval or preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611, or 40 C.F.R. 300.700(d).

20. Settling Defendant agrees not to assert any claims and to waive all claims or causes of action (including but not limited to claims or causes of action under Sections 107(a) and 113 of CERCLA) that it may have for all matters relating to the Site against any other person who is a potentially responsible party under CERCLA at the Site. This waiver shall not apply with respect to any defense, claim, or cause of action that Settling Defendant may have against any person if such person asserts or has asserted a claim or cause of action relating to the Site against Settling Defendant.

## **XII. EFFECT OF SETTLEMENT/CONTRIBUTION PROTECTION**

21. Nothing in this Consent Decree shall be construed to create any rights in, or grant any cause of action to, any person not a Party to this Consent Decree. Except as provided in Paragraph 20 (Waiver of Claims), the Parties expressly reserve any and all rights (including, but not limited to, any right to contribution), defenses, claims, demands, and causes of action that they may have with respect to any matter, transaction, or occurrence relating in any way to the Site against any person not a Party hereto. Nothing in this Consent Decree diminishes the right of the United States, the Tribe, or the State pursuant to Section 113(f)(2) and (3) of CERCLA, 42 U.S.C. § 9613(f)(2)-(3), to pursue any such persons to obtain additional Response Costs or response action and to enter into settlements that give rise to contribution protection pursuant to Section 113(f)(2).

22. The Parties agree, and by entering this Consent Decree this Court finds, that this settlement constitutes a judicially-approved settlement for purposes of Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), and that Settling Defendant is entitled, as of the Effective Date, to protection from contribution actions or claims as provided by Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), or as otherwise provided by law, for “matters addressed” in this Consent Decree. The “matters addressed” in this Consent Decree are all Natural Resource Damages and all response actions taken or to be taken and all Response Costs incurred or to be incurred, at or in connection with the Site, by the United States, the Tribe, the State or any other person; provided, however, that if the United States, the Tribe, or the State exercises rights under the reservations in Section X (Reservation of Rights), other than in Paragraphs 17.a. (claims for failure to meet a requirement of the settlement) and 17.b. (criminal liability), the “matters addressed” in this Consent Decree will no longer include those Response Costs or response actions or Natural Resource Damages that are within the scope of the exercised reservation.

23. In any subsequent administrative or judicial proceeding initiated by the United States, the Tribe, or the State for injunctive relief, recovery of Response Costs, or other relief relating to the Site, Settling Defendant shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, *res judicata*, collateral estoppel, issue preclusion, claim-splitting, or other defenses based upon any contention that the claims raised by the United States, the Tribe, or the State in the subsequent proceeding were or should have been brought in the instant case; provided, however, that nothing in this Paragraph affects the enforceability of the Covenant Not to Sue by the United States, the Tribe, and the State set forth in Section IX.

### **XIII. RETENTION OF RECORDS**

24. Until 10 years after the entry of this Consent Decree, Settling Defendant shall preserve and retain all records, reports, or information (hereinafter referred to as “records”) now in its possession or control, or which come into its possession or control, that relate in any manner to response actions taken at the Site or the liability of any person under CERCLA with respect to the Site, regardless of any corporate retention policy to the contrary.

25. After the conclusion of the 10-year document retention period in the preceding paragraph, Settling Defendant shall notify the United States, the Tribe and the State at least 90 days prior to the destruction of any such records, and, upon request by the United States, the Tribe, or the State, Settling Defendant shall deliver any such records to the United States, the Tribe, or the State. Settling Defendants may assert that certain records are privileged under the attorney-client privilege or any other privilege recognized by federal law. If Settling Defendant asserts such a privilege, it shall provide the United States, the Tribe, or the State with the following: 1) the title of the record; 2) the date of the record; 3) the name, title, affiliation (*e.g.*, company or firm), and address of the author of the record; 4) the name and title of each addressee and recipient; 5) a description of the subject of the record; and 6) the privilege asserted. If a claim of privilege applies only to a portion of a record, the record shall be provided to the United States, the Tribe, or the State in redacted form to mask the privileged information only. Settling Defendant shall retain all records that they claim to be privileged until the United States, the Tribe, or the State has had a reasonable opportunity to dispute the privilege claim and any such dispute has been resolved in the Settling Defendant’s favor. However, no records created or generated pursuant to the requirements of this or any other settlement with the United

States, the Tribe or the State pertaining to the Site shall be withheld on the grounds that they are privileged.

**XIV. NOTICES AND SUBMISSIONS**

Whenever, under the terms of this Consent Decree, notice is required to be given or a document is required to be sent by one party to another, it shall be directed to the individuals at the addresses specified below, unless those individuals or their successors give notice of a change to the other Parties in writing.
